

## Young leaders program on November 7th through November 9th 2008

### I.A. Target group.

The target group consists of young leaders and candidate young leaders from about ten different countries, mostly Eastern-European. A delegation is made up on average by two persons per country ( for whom we are working on sponsorship for their stay ) Off course there may come more from each country on their own costs.

### I.B. Purpose of program.

- Fellowship
- Acquiring knowledge
- Learn from businessmen: How do we represent Christ
- facilitate/develop young leaders in Europe

### *Choices for conference, study and training programs.*

The first half of our stay will concentrate on the CBMC conference. Theme: "Choose and thrust." With this, the main theme is set for Friday through Sunday's program. At the conference there will be a specific workshop for the young leaders (yl) on Saturday afternoon.

The second half of our stay consists of a study and training program, in which all facets mentioned in I.B. will be discussed. With implementing this, we will have to keep the theme of the conference in mind. We will pay close attention to becoming an ambassador of Christ. This means a personal growth: in following, serving and leading.

Paul Johnson\* will give a seminar on Monday morning and afternoon titled: "MARGIN : THE KEY TO AN OVERFLOWING LIFE IN AN OVERLOADED WORLD".

Meeting with (y)cbmc Holland\* is scheduled on Tuesday. The theme for that meeting is: "How do we bring this " MARGIN " in practice ? What triggers you in this at work? What can we learn from others?" To get a better view on this, we will visit some young professionals and young Christian businessmen in their companies.

On Tuesday night we will have an evaluation and prayer time. Everybody can share their experience.

Wednesday is departure day.
